

Winona Grange #271

8340 SW Seneca St., Tualatin, OR 97062

Small Electronic Gadget Recycling

We will recycle your unused Gadgets.

Your donations will help us to renovate Tualatin's Historic Grange Hall.

There are two ways to donate:

You can go to <http://winonagrangle.gazelle.com> and enter your Gadgets' information.

Gazelle will arrange shipping, and 100% of the proceeds will go to us.

Or, you can bring your Small Electronic Gadgets to the Hall, 8340 SW Seneca St., during any event. Additional drop-off locations will be available soon at the Tualatin Library and at Clark Lumber.

It's your choice.

Either way, you make a positive difference, by helping us and by keeping the gadgets out of the landfills.

Either choice is a good choice.
